1. Fixing of IISHF Title Events 2016

The IISHF Presidium (currently Erik Sommer and Ingo Goerke) has worked very hard during the last weeks to discuss with several NGBS and clubs the possible hosting of IISHF title events 2016. It was our big aim to complete many title events 2016 as possible and especially to fix the hosting in the previous year (which means here until end of November). We are very glad to officially announce the hosting of IISHF title events 2016 as follows:

U13 European Cup	Kaarst (Germany)	18-19 June 2016

<i>U19 European Cup</i>	<i>still vacant</i>

Men European Cup Winners	Essen (Germany)	3-5 June 2016

U16 European Cup 2016:

This event will be hosted by the club SHC Rossemaison and played on a 40 by 20 meters pitch on a floor made of hard wood (in a brand new hall).

The IISHF Presidium has also received an application of Krefeld Skating Bears (Germany) for this event and we are very thankful for this. Both applicants are very experienced hosts of international events for a number of years but finally only one club could be nominated as host (in this case SHC Rossemaison).

Men European Cup 2016:

This event will be hosted by the club Inline Hockey Sayaluca Cadempino Lugano and played on a 40 by 20 meters pitch on a parquet (wood) floor (in a sport arena).

This event will be hosted by the club SHC Rockets Essen and played on a 40 by 20 meters pitch on a concrete floor (in a hall).

Veterans European Cup 2016:

This event will be hosted by the club Rødovre Red Devils and played on a 40 by 20 meters pitch on a sports court floor (in a hall).

Women European Cup 2016:

This event will be hosted by the Gentofte Rollerskating Club and played on a 40 by 20 meters pitch on a concrete painted floor (in a hall).

U19 European Championships 2016:

This event will be hosted by the Croatian Inlinehockey Skater Federation and played on a 40 by 20 meters pitch on a sports court floor (in a sport hall).

Men European Championships 2016:

This event will be hosted by the Croatian Inlinehockey Skater Federation and played on a 40 by 20 meters pitch on a sports court floor (in a modern sport center).

2. Vacant U19 European Cup 2016 – Application urgently requested

The U19 European Cup is very important and an event we normally do every year. Thus the IISHF Presidium would very much like to encourage all NMA's to consider hosting this event. Especially countries who haven't yet made any application for hosting Title Events in 2016 are kindly requested to assist.

We hereby ask all NMA's for the one remaining European Cup to provide an official formal application (date for April – June both months included and not overlapping with other title events 2016) latest until **20 December 2015** to the IISHF Presidium. Please be aware that without application until 20 December 2015 the U19 European Cup 2016 will not take place.

3. Deadline for NMA's to publish information

We hereby officially announce that according to point 12.1 IISHF Constitution the IISHF Presidium has imposed an official deadline for all IISHF National Member Associations (NMA's) to inform until **08.12.2015** all their clubs:

- about all fixed Title Events 2016 (as above)
- about the deadline 20.12.2015 for an application of the U19 European Cup 2016
- that without application until 20.12.2015 the U19 European Cup 2016 will not take place

and also to provide IISHF Presidium (office@iishf.com) until 08.12.2015 with a copy of their website publication (or other way/evidence of information sent to their clubs).

4. Annual General Meeting (AGM) 2016 in Croatia

As known the next Annual General Meeting (AGM) will take place on 27-28.02.2016 in Croatia. The location will be Zagreb. Further details will follow soon.

On behalf of the IISHF Presidium

Erik Sommer (President)

Ingo Goerke (Finance Director)
