Liebe Inline-Skaterhockey-Freunde,

es ist mir eine große Freude, Sie im Namen des deutschen Inline-Skaterhockey-Verbandes zur offenen Herren-Europameisterschaft 2022 in Duisburg begrüßen zu dürfen. Sport und insbesondere ein mitreißender Mannschaftssport wie Inline-Skaterhockey vereinigt Menschen aller Altersgenerationen. Die Herren-Europameisterschaft bringt nun die besten europäischen Mannschaften, Spieler und Vereinsoffizielle aus Deutschland, Schweiz, Großbritannien, Österreich und Dänemark zusammen. Ganz herzlich willkommen heißen wir als zusätzlichen Teilnehmer die Mannschaft und Delegation aus Indien, die erstmals überhaupt an einer internationalen Meisterschaft teilnehmen und sehr große Mühe und Aufwand auf sich genommen haben, in Duisburg dabei zu sein.

Die große Gastfreundlichkeit der Duisburg Ducks und die hervorragende Organisation sind die Garanten, dass diese Veranstaltung vom internationalen Verband (IISHF) gerne nach Duisburg vergeben wurde.

Die Duisburg Ducks gehören seit der ersten Stunde dem deutschen Inline-Skaterhockey-Verband ISHD (vormals FSH) an. Aus einem wilden Haufen von jungen Spielern wurde ein professionell strukturierter und vorbildlich geführter Verein, der es geschafft hat, eine Begeisterung für Inline-Skaterhockey zu entfachen und mehrere Altersgenerationen hervorragend einzubinden und zu fördern. Die "Ducks" haben immer eine Vorreiterrolle gespielt und die Entwicklung des Inline-Skaterhockeys in den letzten mehr als 30 Jahren maßgeblich und positiv mit beeinflusst.

Sportlich ragen in dieser Zeit insbesondere die großen Erfolge der Herren sowohl national als auch international heraus, die Eintrag in die Re-kordbücher gefunden haben.

Die Organisation eines internationalen Titelwettkampfes beinhaltet enorm viel Aufwand und Arbeit. Die Unterstützung bei Reise- und Unterkunftsplanung sowie sämtliche Korrespondenz in mehreren Fremdsprachen erfordert erhebliche Bemühungen und eine besondere Leistung. Mein besonderer Dank gilt daher an die-ser Stelle auch den Mitgliedern des Organisationskomitees und den vielen freiwilligen Helfern für Ihre große Unterstützung bei der Organisation und Durchführung der Offenen Herren-Europameisterschaft 2022.

Allen teilnehmenden Spielern, Freunden und Besuchern wünsche ich spannende, faire Spiele und allen Gästen einen schönen Aufenthalt in Duisburg.

Mit besten Grüßen

Ingo Goerke

Dear friends of inline skater hockey,

on behalf of the German Inline-Skater-hockey Association (ISHD) I am very pleased to welcome you to the Open Men European Championships 2022 in Duis-burg. Sport and especially such a rousing team sport as inline skater hockey unites people of all generations. This year`s Men European Championships is now bringing together the best European teams, players and club officials from Germany, Switzerland, Great Britain, Austria and Denmark. We warmly welcome as additional participant the team and delegation from India, who are participating in an international championship for the first time ever and have taken very great efforts to be there in Duisburg.

The magnificent hospitality and superb organisation of Duis-burg Ducks is the guarantee that this event has been given by the International Inline Skater Hockey Federation (IISHF) with pleasure to Duisburg.

The Duisburg Ducks are member of the German Inline-Skater-hockey Association "ISHD" (former FSH) from the beginnings. A bunch of young players merged to an excellent organized club with a professional structure and enabled to arouse enthusiasm for inline skater hockey sport and to closely involve and to promote generations of people. The "Ducks" always held a leading role and had significant and positive influence of the development of inline skater hockey for the last more than 30 years. In terms of sport, the great successes of the men team, both nationally and internationally, stand out during this time, which have found entry in the record books.

The organization of an international title event includes enormous time and work. It requires a lot of efforts and particular achievement to provide support for travelling and accommodation as well as correspondence in several foreign languages. Thus I take this opportunity to give the best thanks to the members of the Organization Committee and the great number of honorary helpers for their great support to organize and host the Open Men Junior European Championships 2022.

I would like to wish all players, friends and visitors exciting, fair games and a pleasant stay in Duisburg.

Best regards

Ingo Goerke

## **DANKE!**

Sie sind am Ende angekommen. Zumindest am Ende des Stadionheftes, wahrscheinlich noch nicht am Ende des Turniers. Stadionhefte liest man meist zu Beginn des Turniers, während man auf das erste Spiel seiner Mannschaft wartet und darauf, dass es überhaupt losgeht. Wir sind also noch nicht am Ende, sondern am Anfang oder mittendrin. Aber gewartet haben wir alle - über 2 Jahre. Wenn man so lange auf ein Event wartet, steigt der Druck, dass es auch etwas ganz Besonderes werden soll, enorm. Was aber auch steigt, ist die Lust und die Bereitschaft jedes Einzelnen, der mit der Planung und Durchführung dieses Turniers beschäftigt war und ist, eben dieses Turnier für alle zu etwas Besonderem zu machen.

Ich möchte mich gar nicht darin verlieren, einzelne Sponsoren, Helfer oder Verbandsoffizielle aufzuzählen. Da vergisst man ohnehin jemanden und das kann peinlich werden. Wer auch immer das Heft bis hierhin gelesen hat, ist dabei, mit Leib und Seele.

Und dafür sage ich schlicht und ergreifend aus tiefstem Herzen:  
DANKE, Ihr seid die Besten!

Euer  
Christian Grotenhöfer  
1.Vorsitzender Duisburg Ducks

## THANK YOU!

You have reached the end. At least the end of the booklet—you're probably not yet at the end of the tournament. Normally you read booklets such as this at the beginning of the tournament, maybe while you are eagerly waiting for your team's first match to finally begin. So we are not at the end yet, but at the beginning or in the middle. But we have all waited—over two years, in fact. When you wait that long for anything—but especially an event as big as this—the pressure to make it special increases enormously. But what also increases is the desire and willingness of everyone involved in the planning and execution of this tournament to make it as special as possible.

I don't want to get lost in listing individual sponsors, helpers, or club officials. You would just end up forgetting people amidst the sea of names, since so many people have worked tirelessly day and night to put all of this together. So many people have poured their heart and soul into this experience.

So instead I will simply say, from the very bottom of my heart: Thank you, you are all the best!

Yours

Christian Grotenhöfer
